Jesus the One and Only

Babbie Mason © 1989 Word Inc.

(First Verse)

Who was born the Son of God yet Son of man?

Who laid down His life and rose to live again

Who rides the clouds of glory whose kingdom never ends?

There is no other name

(Chorus)

Jesus the one and only Faithful true and holy

He's the Son of righteousness worthy of all glory

Jesus Christ the one and only

(Second Verse)

Let every voice on earth and heaven all sing praise

Let every heart be a holy hiding place

Let every knee bow down and every tongue confess the name

Of Jehovah's only Son the risen one (Repeat chorus)

Third chorus backed up by choral arrangement **"All Hail the Power of Jesus Name"**

Go and Sin No More

Dwight & Denise Lyles

(First Verse)

I saw their angry faces I longed to run and hide

Their stones could never hurt me like the shame I felt inside

The stranger knelt before them writing in the sand

He said to them throw your stones if you're a guiltless man

The angry faces scattered He turned to me and said

Does any man condemn you I simply shook my head

(Chorus)

Then go and sin no more I do not condemn you

Go and sin no more my power will be in you

Look at me you will see you're not what you were before

I trust you trust in Me Go and sin no more

(Second Verse)

Now picture Him before you writing in the sand

He scatters your accusers and lifts you by the hand

Your sins are there like pictures spread out before His face

He tears them into pieces and throws them all away

No one can condemn you when you've been changed by Him

The words he spoke so gently He speaks to you again (Repeat Chorus) Tag / End

Jesus Lord to me

Gary Mcspadden & Greg Nelson

If they had seen the faces of those healed by your hand

Then they would know that you are more than just an ordinary man

How can I tell them why can't they see

That you were sent from God above you are Lord and King

Now that I have found You Now that I can see

I only want to tell the world what you mean to me

(Chorus)

Jesus, Jesus Lord to me

Master Savior Prince of peace

Ruler of my heart today

Jesus Lord to me (Repeat to end)

I Was Afraid

Nick Zettler

(Verse)

What do you do when your world falls apart?

What do you do with a broken heart?

What do you do when you're left all alone?

What do you do with all the unknown?

I love you Master and I should have stayed right there beside You but I was afraid

You said this evening how it was to be,

That all would deny You, You meant even me

(Chorus)

Oh Lord how can this be? I would have always served Thee

Oh Lord if your words do come true how can I live without you?

You said that you'd go to prepare us a place

That we could go there by your infinite grace

Oh Lord how can this be I even I denied Thee?

Oh Lord forgive me I pray then by your side I will stay

I thought that you'd come as a king and would reign

That I and the others would carry your train

Oh Lord how can this be? They'll surely crucify Thee

Oh Lord to the grave you must go, why does it have to be so?

No, No (**Return to first verse**)

The Healer

Lois Irwin

Price for healing was paid as those cruel stripes were made

In Pilates judgment hall

Now his suffering affords perfect healing for all

This healer of men today

(Chorus)

He was wounded for our transgressions

He was bruised for our iniquities

Surely He bore our sorrows

And by His stripes we are healed

Surely He bore our sorrows

And by His stripes we are healed

Via Dolorosa

Billy Sprauge & Niles Borop

© 1983 Christian World / Word Inc and Harry Fox

(First Verse)

Down the Via Dolorosa in Jerusalem that day

The soldiers tried to clear the narrow streets

But the crowd pressed in to see the man condemned to die on Calvary

He was bleeding from a beating there were stripes upon His back

He wore a crown of thorns upon His head

And He bore with every step the scorn of those who cried out for His death

(Chorus)

Down the Via Dolorosa called the way of suffering

Like a lamb came the Messiah Christ the King

And He chose to walk that road out of His love for you and me

Down the Via Dolorosa all the way to Calvary

(Bridge)

The blood that would cleanse the souls of all men

Made its way to the heart of Jerusalem (Repeat Chorus) End

Feel the Nails

Ray Boltz

(First Verse)

Is this the man who died for my transgressions?

Is this the cross that should have been my own?

Why would he die for me? This kind of love I've never seen

But still one thing that I've just got to know

(Chorus)

Does He still feel the nails every time I fail?

Can He hear the crowd cry crucify again?

Am I causing Him pain? Then I know I've got to change

I just can't bear the thought of hurting Him

(Second Verse)

It seems that I'm so good at breaking promises

And I treat His precious grace so carelessly

Each time He forgives what if He re-lives the agony He felt on that tree?

(Last Chorus)

Do you still feel the nails every time I fail?

Have I crucified You Jesus with my sin?

I'm so tired of playing games

I never want to hurt you again

He's Alive

Don Francisco

The gates and doors were bared and all the windows fastened down

I spent the night in sleeplessness and rose at every sound

Half in hopeless sorrow half in fear the day

Would find the soldiers breaking through to drag us all away

Just before the sunrise I heard something at the wall

The gates began to rattle and a voice began to call

I hurried toward the window looked down into the street

Expecting swords and torches and the sound of soldiers feet

There was no one there but Mary so I went down to let her in

John stood there beside me as she told us where she'd been

She said they've moved Him in the night and none of us knows where

The stones been rolled away and now His body isn't there

We both ran toward the garden then John ran on ahead

We found the stone and the empty tomb just the way that Mary said

But the winding sheet they'd wrapped Him in was just an empty shell

How or where they'd taken him was more than I could tell

Something strange had happened there just what I didn't know

John believed a miracle but I just turned to go

Circumstance and speculation couldn't lift me very high

I'd seen them crucify Him and then I watched Him die

Back inside the house again the guilt and anguish came
Everything I promised Him just added to my shame
When at last it came to choices I denied I knew His name
And even if He was alive it wouldn't be the same

Then all at once the air was filled with a strange and sweet perfume
Light that came from everywhere drove shadows from the room
Jesus stood before me with His arms held open wide
And I fell down on my knees and just clung to Him and cried

He raised me to my feet and as I looked into His eyes
Love was pouring out from Him like sunlight from the skies
Guilt and my confusion disappeared in sweet release
And every fear I'd ever felt just melted into peace

He's Alive He's Alive He's Alive and I'm forgiven Heaven's Gates are opened wide
He's Alive He's Alive He's Alive and I'm forgiven Heaven's Gates are opened wide
He's Alive He's Alive He's Alive and I'm forgiven Heaven's Gates are opened wide

HE'S ALIVE HE'S ALIVE HE'S ALIVE HE'S ALIVE
